June 2021

To the editor:

As the full-time rector at St. Ann's Episcopal Church in Windham, I am aware of the growing number of folks who have lost connection with a vibrant church community during the pandemic. Therefore, post-COVID, this is an invitation to any who find themselves without a caring Christian community at this time -- a time of new beginnings and new promise.

If you'd like to awaken or re-awaken your spiritual life -- and journey along with others who seek to practice Christian values -- we'd love for you to check us out. Our 200+ parishioners come from many diverse faith backgrounds, and span all ages. You will be warmly welcomed here.

The 8:00am Sunday services are recorded live on FaceBook. Our 9:00am services are indoors and in-person. As of this writing we are requiring that masks be worn.

Please consider joining us.

Blessings, Rev. Tim Higgins, Rector
